## Controlware IP CCTV solution installed at St Pancras international

Controlware Communications have recently provided a leading edge IP CCTV solution for St Pancras international as part of the station's refurbishment for the High Speed 1 (HS1), the UK's biggest ever construction project, formally known as the Channel Tunnel Rail Link (CTRL).

Working with the Costain, O'Rourke, Bachy and Emcor Rail (CORBER) consortium and Rail Link Engineering (RLE) Controlware provided technical design, product supply, integration, commissioning a ... [Read more >>](#)
