## BSIA and IFSEC Announce Finalists for IFSEC Security Industry Awards 2008

The BSIA and the organisers of IFSEC, the world's largest annual security event, are pleased to announce the finalists of the prestigious Security Industry Awards 2008. Acknowledging the people, products and technological advancements that have played a big part in the security industry over the past year, the IFSEC Security Industry Awards will be presented at Rouge, the awards reception and IFSEC after-show party during the evening of 12 May 2008 at the National Motorcycle Museum, Birmingham.

Alex Carmichael, BSIA Technical Director, comments: "We were again extremely impressed by the standard of entries for this year's IFSEC Security Industry Awards. Year on year the finalists and winners show that the security companies are constantly raising the bar when it comes to their products and that innovation is at the very heart of our industry. This year's finalists should be justly proud of reaching this stage of the awards and I congratulate them on their achievements!"

The finalists are:
