

IFSEC Security Industry Awards 2009 announces finalists  
 - IFSEC Security Industry Awards 2009 Monday 11 May 2009,  
 Hilton Birmingham Metropole -

UBM Live, organisers of the world's largest annual security event IFSEC, has announced the finalists for the Security Industry Awards 2009. Acknowledging the people, products and technological advancements that have played a big part in the security industry over the past year, the awards will be handed out at a black-tie gala dinner on Monday 11th May at the Hilton Birmingham Metropole. The awards are organised in association with the British Security Industry Association (BSIA). Alex Carmichael, BSIA Technical Director, comments:

"The IFSEC Security Industry Awards offer the opportunity to showcase this year's best security products and to highlight effective services and partnerships. This year we had an extremely high level of entrants covering an outstanding collection of exciting and innovative security solutions. The finalists should be justly proud of their achievements."
