# IFSEC 2010: IFSEC Security Industry Award winners revealed!

10 May 10

By **Anthony Hildebrand**

The winners of the IFSEC Security Industry Awards were revealed tonight during an impressive dinner held at the Hilton Birmingham Metropolitan.

The ten winners were presented with their awards, which recognise the people, products and technological advancements that have shaped the security industry over the past year.

"Tonight was a truly spectacular celebration of innovation within the security industry," said James Blue, portfolio sirector, Security & Fire, UBM Live.

"I would like to congratulate all of the winners who clearly demonstrated to the judges their obvious dedication and enthusiasm for providing world-class products and services to this dynamic industry."

James Kelly, chief executive of the British Security Industry Association, said: "These awards bring the security industry together for a very special celebration of achievements. The security industry prides itself on innovation and this year's IFSEC Security Industry Awards highlight just how committed the industry is to producing excellence.

"All of the winners are to be congratulated on their achievements and should be justly proud of the contribution that they are making to our industry."
